Gratefulness

God who dwells amongs

Reflection on Gratitude

How often do we have an ongoing conversation with God? A conversation that starts as you wake, continues through the obstacles of the day, and ends with gratefulness of reflecting on the blessings we encountered. Committing to this conversation can bring us to center on Jesus and His love for us no matter the circumstance we are in as the day unfolds. It also reminds us the God dwells with us. He is always present, through the Spirit, so that we can converse with Him helping us to minister, serve, others. Jesus found the strength He needed through His continued devotion to conversing with the Father. What better example can we take into the day than this?

A Wonderful Opportunity

Thanks to some of school moms who scurried around the Diocese, our students, grades 3-8, will have the opportunity to receive the graces that come with the Sacrament of Reconciliation. We have scheduled confessions on Thursday, April 4, from 9-12 in the school chapel. Below is the schedule that we will follow.

Parents are more than welcomed to come and join us in confession. This is a great opportunity to model for your child how important receiving this sacrament is to you. As adult Catholics, we are asked to make a good confession at least once a year. This is your chance. Also, for parents, we will be saying the rosary in the school chapel at 8:15 am and at 11:45 am. Don't miss these opportunities!

Pentathletes Shine In So Many Ways

We congratulate our 7th and 8th grade Pentathletes for their perseverance and dedication to this year's Pentathlon Teams. Unlike many of the schools they compete against, our SJDL Pentathlon Team is a voluntary, before school, endeavor with students arriving at 7am for their coaching sessions.

The teams were recognized for Overall Team and Super Quiz Team Awards as well as Individual Awards which are all attributed to the student's commitment to learning. We are so proud of these students and the process they completed.

The Coddling of the American Mind

In the name of emotional well-being, college students are increasingly demanding protection from words and ideas they don't like. Here's why that's disastrous for education—and mental health.

The SJDL Honor Societies are once again gearing up for their annual Easter Basket drive. Students in these organizations work hard to build as many "Easter Baskets" as possible and deliver to the Lestonnac Free Clinic. Please click [HERE](#) for information and how to help them reach their goal.

Easter Gift Gathering April 01-05, 2019

Liturgical seasons are more than countdowns to upcoming vacations, they are an invitation for introspection to examine our habits, faith practices and walk a little closer with Jesus. With the upcoming season of Lent, it is important not only to engage our children in conversations, rites and rituals, but to demonstrate how the season can have restorative and transformative power on us as families. Lancer Athletics News

The significance of oneself cannot be measured by the fame and glory of athletic accomplishments but by the love and compassion I have shown to others every day of my life, without fame or glory or thanks just in the name of love. May all the little things we do for one another count as the most significant thing we do in our life time. Amen.

We Need Your Help!

The facilities at Saint Jeanne de Lestonnac School sets us apart from most, if not all, private Catholic schools in Orange County. One facility that all of our students benefit from is the Field of Dreams. But, as with all upgrades, the facility and its benefits to the school come with a price. We hope that you can find it in your means to help our efforts in raising money for this great facility. [Click to read more and how to help...](#)
