Gratefulness

God who dwells amongs

Reflection on Gratitude

We live in a world where God is active and does amazing things. Miracles are all around us. Through prayer and meditation (*Selah*), we have the opportunity to hit the pause button on our busy life and open our hearts and minds to see God's love and power. Our ability to cut down on the "busy", prioritizing time for peaceful moments of prayer, can help us realize and recognize God's presence. In a world that emphasizes fear and anger, we can find reassurance of God's love through the acceptance of Jesus Christ, which brings us peace. No matter what is happening in the world, in our lives, we know God is with us. In His grace, which is always present, we rest and can be grateful for all things (*Romans 8:28*).

Tustin Market Place, 13702 Jamboree Road!**

Students in kindergarten through seventh grade will receive before the book fair their Summer Reading Requirements together with a list of permitted books for each grade level.

Starting May 23rd, students must bring their own books to read from home as the library closes in order to gather all the outstanding library books!

This fair is an excellent opportunity to purchase what your children need to fulfill their Summer Reading Requirements and will benefit the school as well.

Do not forget to shop for yourself!

Choose from bestsellers to read at poolside, games, presents for graduates... or purchase a book from the SJDL library's Wish List to donate.

Thank you for your participation and generosity in supporting your library.

Mrs. Z. Your Librarian

Dear Saint Jeanne Family and Friends,

Our Angel Taylor passed away ten years ago from a rare neurological disorder known as West Syndrome. Her gentle spirit taught us so many lessons during her four short years on this earth. She showed us that all life is intrinsically precious. She personified the essence of the Shaker lyric 'tis a gift to be simple. We learned from her that the road less traveled is lined with extraordinary people who can ease your load and help shine a light on the path ahead. These guardian angels include the amazing team at Blind Children's Learning Center who wrapped their loving arms around our Tay and gave her wings of joy and love.

This year marks the 15th Annual Blind Children's Learning Center 5K Walk Destination Independence and commemorates Taylor's 15th birthday. It just so happens that this year's walk will be held on her mom's 50th Birthday on May 4th at 9:00 am. In honor of these milestones and millstones, we need YOUR help. Please join our mission to celebrate the age-less Taylor by raising \$15,000 in her name and poke some fun at the age-ed Heather by bringing 50 saucy team members to the event this year.

We are grateful for your love, strengthened by your support and humbled by your tremendous generosity over these many, many, MANY years!

Team Taylor Medwig

We Need Your Help!

The facilities at Saint Jeanne de Lestonnac School sets us apart from most, if not all, private Catholic schools in Orange County. One facility that all of our students benefit from is the Field of Dreams. But, as with all upgrades, the facility and its benefits to the school come with a price. We hope that you can find it in your means to help our efforts in raising money for this great facility. [Click to read more and how to help...](#)
