Gratefulness

Prayer and Silence

Reflection on Gratitude

It is written to love the Lord with all of our heart, soul and mind, as well as to love our neighbors as ourselves. "Love" is celebrated this week as though it is something like an anniversary, but without love, unconditional love, we would not know God (1 John 4:7). Of faith, hope and love, the greatest is love (1 Corinthians 13:13). So, love should be celebrated in every moment of our lives. We pray for less stress, less worry, less anxiety, greater finances, but what if we consistently pray to be more loving. "We know and rely on the love God has for us. God is love. Whoever lives in love lives in God, and God in them." (1 John 4:16) In the silent times this week, listen for love and know you are always God's Valentine.

New Furniture Arriving

Continuing its efforts to provide our students with the highest level of learning, Saint Jeanne de Lestonnac School is committed to updating the classroom culture with new furniture. Through the generosity of our parents, our students will be able to experience Flex Seating that promotes:

- Choice of seating
- Collaborative planning
- Movement
- Student centered instruction
- Active learning

Arriving this week, our Science Lab, Middle School Mathematics and Religion/Social Studies classes will be part of this first phase of integrating new seating and learning centers. We cannot thank our parents enough and hope to continue this initiative through the coming year.

We assist our students in developing a vibrant relationship with *Jesus Christ* as they strive to achieve *Excellence in Education* and live a *Life of Service* according to the *Gospels*.

Happy Valentine's Day

Pageant of the Masters

"Mesopotamian Style"

The 6th grade worked very hard on creating their own Pageant of the Masters, where they created a portrait of what life was like in Ancient Mesopotamia. They portrayed different ways of life from the perspective of different social classes. Some include, Kings, Priests, Farmers, Slave, Scribes and Women. It was fun watching their masterpieces come to life.

Alumni Continue to Shine

Claire Early (Class of 2017) and Katie Thomas (Class of 2018) were honored this week at the Royal Scholars Dinner for Rosary High School. These graduates of Saint Jeanne de Lestonnac School, received an award for maintaining a cumulative weighted grade point average of 4.3 and above. We are so proud of Claire and Katie. They are successful, academically, but we also know how successful they are as caring and giving young ladies who are true reflections of their family's values and the foundations of service and learning encountered at SJDLS.

We Need Your Help!

The facilities at Saint Jeanne de Lestonnac School sets us apart from most, if not all, private Catholic schools in Orange County. One facility that all of our students benefit from is the Field of Dreams. But, as with all upgrades, the facility and its benefits to the school come with a price. We hope that you can find it in your means to help our efforts in raising money for this great facility. [Click to read more and how to help...](#)
