Summer Edition

Week of Monday, July 1, 2019

Lord Jesus, When I am a less than enthusiastic follower,
Please refresh me in my zeal. When I am hurting or
need forgiveness, In Your love, please help me heal.
When I am blessed with accomplishment or well-being,
May gratitude be what I feel. Amen.

Camp Lestonnac News

We are happy that Camp Lestonnac has started so well. Many of our participants have expressed their happiness and share with us the fun they are having.

Please note that as the summer progresses and temperatures begin to rise, it is important to send your child with a water bottle (our drinking fountains have water bottle refill spouts), sun screen and snack. On excessive heat days, if needed, we will have the students come into the gymnasium for morning recess.

Also, remember that this week is a short week. There will be no Camp Lestonnac on Thursday, July 4, and Friday, July 5. Daycare will not be available on either of these days as well. We wish everyone a blessed and safe 4th of July.

We would like to extend a special welcome to all new members of the Saint Jeanne's family. To all returning families, welcome back to another school year.

Please consider being a Room Parent for your child's class during the upcoming school year. As a Room Parent, your main responsibilities include organizing classroom activities and coordinating classroom involvement with school-wide events.

Being a Room Parent is a fun and rewarding experience.

**It is also a great way to get to know your
Saint Jeanne's teachers and families better!**

We are almost there...

This was a great week of Re-registration and we thank all of the families that took a moment to complete the online form. Simply click on the link in TeacherEase (located on the top-left side of the main window), type in your child's name, review the pre-populated information, update whatever is needed, and click submit.

Keeping Your Kid Safe Over Summer Break

Summer break is nearly upon us. Most parents think since their child is not in school, the online drama will calm down. Unfortunately, this is not the case. With less structured time, online issues ramp up. Increased screen time over the summer is also a significant issue. Here are some things to go over with your child to make it the safest and best summer break possible.

80% of parents have never discussed Internet safety with their child. Talking to thousands of parents every year, I have learned parents are not having this vital talk with their child because they do not know what to say. The number one safety factor in any child's life is a parent that will speak to them about necessary, and sometimes tricky topics like Internet safety, bullying, drug use, vaping, etc. The Mobile Device and Internet Contract is a parent's script to opening a meaningful conversation about cyber safety with their child. How to Raise Kind Kids: And Get Respect, Gratitude, and a Happier Family in the Bargain by Thomas Lickona

We all want kids who choose to be kind, and developmental psychologist Dr. Thomas Lickona makes the point in "How to Raise Kind Kids" that kindness doesn't exist in a vacuum but happens when kids have other virtues as well, such as gratitude and courage. Using both research and practical tips from other families, Lickona explains how parents can give their kids the tools they need to be not only kind, but also happy.

We Need Your Help!

The facilities at Saint Jeanne de Lestonnac School sets us apart from most, if not all, private Catholic schools in Orange County. One facility that all of our students benefit from is the Field of Dreams. But, as with all upgrades, the facility and its benefits to the school come with a price. We hope that you can find it in your means to help our efforts in raising money for this great facility. [Click to read more and how to help...](#)
