Summer Edition

Week of Monday, June 24, 2019

Lord Jesus, How wonderful to contemplate All that it means to be Baptized into Your holy Church As a member of Your body. Though I know I am unworthy As a temple of Your Spirit, May my heart be open To Your guidance and faith to hear it. You are the head of the Body, And yet I am a part; Help me accept the grace I need, To bring Your hope to others' hearts. If a body were only eyes How could it walk or hear? Help me to serve as You intend, So that through me Your love appears. Amen.

Camp Lestonnac News

Camp Lestonnac will open its doors on Monday, June 24, to Preschool through Eighth-grade students. The summer session is a great way for students to prevent the "summer slide" as well as experience fun, project based learning through Camp sessions hosted by Strategic Kids.

Please note that all students who will be participating in the Summer Swim Session must have a signed **Swimming Permission Form** submitted. Only participants who have turned in the signed permission slip will be able to access the pool, so please be sure to download, print, sign and return this form as soon as possible. Copies have been emailed to all parents of registered 1st-8th grade participants and will also be available at the Welcome Tables on Monday morning.

Please be sure to send your child with a snack, water bottle, sun screen and for those participating in the Summer Swim an appropriate swim suit and towel.

Summer AR Testing/Clothes Closet

The best way for students to stay on top of the learning curve during the summer is to **READ**. Summer is a great time to encourage your child(ren) to turn off the online gaming and relax to a good book. Mrs. Zimmerman is available to suggest a wide variety of books your son/daughter can explore over the summer.

As you stop by the Library Center during AR testing time don't forget to come by the Clothes Closet to drop off or pick up uniforms. Great way to get ahead this summer and start the 2019-2020 year in peace.

100% Kind, generous, service minded young adults.

100% of Advanced Math students qualified for sophomore level mathematics class.

We are almost there...

This was a great week of Re-registration and we thank all of the families that took a moment to complete the online form. As many parents have shared with us, the Re-registration process is quick and easy. Simply click on the link in TeacherEase (located on the top-left side of the main window), type in your child's name, review the pre-populated information, update whatever is needed, and click submit.

"So much easier and quicker" - Returning Parent SJDL School

Remember, you can Re-register now and pay fees later. Registration fees are not due until August 22, 2019. So, thank you for taking the time to complete your Re-registration today!

Keeping Your Kid Safe Over Summer Break

Summer break is nearly upon us. Most parents think since their child is not in school, the online drama will calm down. Unfortunately, this is not the case. With less structured time, online issues ramp up. Increased screen time over the summer is also a significant issue. Here are some things to go over with your child to make it the safest and best summer break possible.

80% of parents have never discussed Internet safety with their child. Talking to thousands of parents every year, I have learned parents are not having this vital talk with their child because they do not know what to say. The number one safety factor in any child's life is a parent that will speak to them about necessary, and sometimes tricky topics like Internet safety, bullying, drug use, vaping, etc. The Mobile Device and Internet Contract is a parent's script to opening a meaningful conversation about cyber safety with their child. Home and School Announcements

The Saint Jeanne de Lestonnac Home and School Association is an organization of parents who have chosen to participate more fully in the service of Saint Jeanne de Lestonnac School by organizing fundraising activities that directly benefit the students, faculty, the general plant, and equipment.

Announcements

We would like to thank all of our Saint Jeanne parents and community for such a great and successful year. We could not be more grateful to everyone who volunteered for and lead committees for the Home and School Association.

The Home and School Association wishes everyone a great summer and pray it brings us all time for family, friends and rest.

How to Raise Kind Kids: And Get Respect, Gratitude, and a Happier Family in the Bargain by Thomas Lickona

We all want kids who choose to be kind, and developmental psychologist Dr. Thomas Lickona makes the point in "How to Raise Kind Kids" that kindness doesn't exist in a vacuum but happens when kids have other virtues as well, such as gratitude and courage. Using both research and practical tips from other families, Lickona explains how parents can give their kids the tools they need to be not only kind, but also happy.

We Need Your Help!

The facilities at Saint Jeanne de Lestonnac School sets us apart from most, if not all, private Catholic schools in Orange County. One facility that all of our students benefit from is the Field of Dreams. But, as with all upgrades, the facility and its benefits to the school come with a price. We hope that you can find it in your means to help our efforts in raising money for this great facility. [Click to read more and how to help...](#)
