

Lancer Athletics Sponsorship Opportunities

A perennial power in the Parochial Athletic League, the Lancer Athletics Program at Saint Jeanne de Lestonnac School, focuses on character building through competitive athletics. Committed to tradition, the school's Student Learning Expectations, and a powerful Mission Statement, our coaches expect the highest levels of behavior, enthusiasm, and sportsmanship from all of the student-athletes in every level and sport. As the largest year-long program with hundreds of students participating, success is not measured solely on what the scoreboard shows, end of season records, or championships, but a "team" concept built around Catholic-Christian values.

We are excited to present opportunities for SJDL families or local businesses to become an active sponsor for our Lancer Athletics Program. This Sponsorship program will be based on a First Come First Serve basis, meaning that the quicker you or your company would like to sponsor any of the options below the quicker we can lock in your company/business brand.

- Custom Ad in the SJDL Website for the Spring Season (March - June)

If your organization/business would like to sponsor our Sand Volleyball Court(s) initiative:

Estimated Cost: \$20-25 K

We are actively seeking sponsorship for Lancer Sand Volleyball Court(s) that can be constructed on the South-east corner of the field (where the softball field is currently located but not used).

This, of course, is a major investment by potential sponsors. We will work closely with the partnership regarding signage, logos, and ongoing digital platforms support. Please contact Coach McKee if you would like information and are interested in creating a fun and lasting venue for the SJDL Athletics department and Saint Jeanne de Lestonnac School.
